

REALITIES OF IMPORTATION

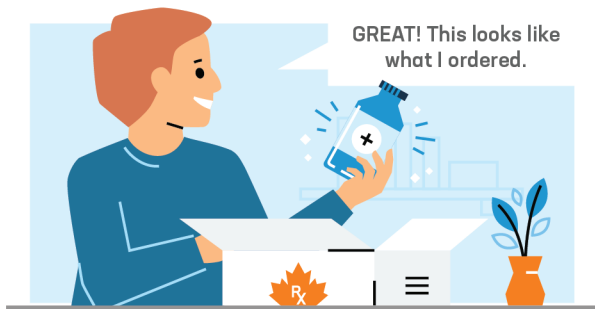

WHAT YOU THINK HAPPENS IN CANADA

If medicines at Canadian pharmacies are fine, this website for a Canadian pharmacy is safe too.

Canadian government inspects medicines being shipped out of Canada.

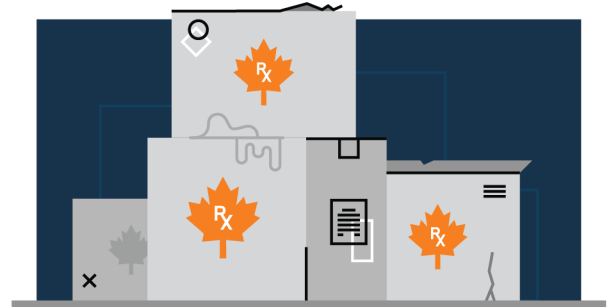

These medicines came from Canada, so they must be safe.

WHAT ACTUALLY HAPPENS IN CANADA

Medicines from online pharmacies can come from anywhere, regardless of what the website says.

The Canadian government does NOT inspect medicines being shipped out of Canada - whether they originate in Canada or elsewhere.

Allowing the importation of medicines from Canada risks patients being hurt by counterfeit and dangerous medicines.
